

# Field Track GPS Tracking understands the HVAC/R Industry

ONLY  
**\$16.95\***  
PER MONTH  
PER VEHICLE

With over 2,300 HVAC/R distribution companies competing for market share among commercial contractors, Territory Managers are looking for additional ways to bring value to their accounts to help retain their business. Field Track recognizes these challenges and provides added value with the benefits that GPS fleet tracking offers.

## Why introduce Field Track to your contractors?

- GPS Tracking increases your contractors' productivity and efficiency
- In turn, contractors become more profitable and grow their business
- Contractors buy more products from you
- Ultimately, this will improve their bottom line, **and yours!**

## Created Exclusively for Johnstone Supply

- Lifetime Warranty
- No Contract
- Email and Text Message Alerts
- Google Maps
